- **Quoted fees are subject to change without notice.**
- **Quoted fees are an estimation only; diagnostic testing may vary on an individual basis, altering final cost.**
- The maker of the Realize® adjustable gastric band offers a financial program for qualifying patients. For more information, you may call 1-866-REALIZE.
- Your pre-op diagnostic testing will be billed to your insurance company to see if they will pay. **Payment is not guaranteed.**
- The surgical fee is subject to change if additional surgery is needed, such as hernia repair, gallbladder removal, etc.
- Pre-op history and physical will be done with an Internal Medicine physician. Fee amounts are subject to change. A member of their staff will inform you of the exact amount when the appointment is scheduled.
- Georgetown Community Hospital will bill you for pre-op testing after the services have been performed.
